Hello,

We're super excited to let you know that we are now welcoming applicants for our Business Internship 2020 programme. We are particularly interested to hear from students graduating at the end of 2020 or during 2021. Please apply here.

---

**Business Internship Details**

**Job Role:** Business Intern 2020 - Europe, Middle East, & Africa (EMEA)

As an intern, you’ll have the opportunity to work on projects core to Google’s business. Our intern recruitment team will determine where you fit best based on your CV and the preferences you indicate on the application form.

**Areas**

Business Internships are typically offered in the following areas: Sales & Operations, Large Customer Sales, Google Cloud, Marketing, and Human Resources.

**Responsibilities**

Responsibilities and detailed projects will be determined based on your educational background, interests and skills.

**Minimum Qualifications**

- Returning to education on a full-time basis upon completing the internship.
- Ability to commit to a minimum of 10 weeks and up to 6 months at Google.
- Currently enrolled in a Bachelor’s or Master’s degree programme and maintaining student status throughout the internship. Priority is given to students graduating end of 2020 or during 2021 so please include your graduation date on your CV.

**Preferred Qualifications**

**Please Note**

These opportunities are based in the following locations: Ireland, Germany, Britain, Switzerland and many more.
